

# *Extreme Slot Car Racing*

## **Birthday Party Package**

Enjoy two hours of high speed racing action on a four lane, computer controlled, HO scale Speedway. Each race last two minutes and results are computer calculated for accuracy.

### **Choose from two race formats -**

**Series** - winners of each race compete against each other until a final race pits the top four drivers against each other with the outcome determining the series winner. Series racing is limited to 32 drivers and 52 races.

**Open** - racers compete against each other and the clock trying to set the fastest lap time and the most laps completed. Open racing allows for drivers to race more than once and can accommodate the greatest number of drivers. Approximately 200 races are run!

The Party Package includes: on-time arrival, setup, removal, minimum of two pit crew, freestanding 3' x 7' race track with safety guards, computer system, spectator display, controllers, and choice of select HO scale race cars.

**Package Pricing**  
**\$150.00 for two hours of Extreme Slot Car Racing**
